LOGNOTE -- Acting Chief, Operations Group, 21 June 1984

1. [ ] Following from this morning's D/FBIS staff meeting:

25X1

- The DCI is still concerned about leaks and is consulting his legal advisors on legislation to curb them.
- A new gym has opened at Langley.
- GSA has pumped oil from the CIA power plant into the Potomac again.
- D/OP [ ] has said that if an Office director thinks a specific promotion is "critical" he [ ] will approve it if the Office director makes a pitch to him. 25X1 25X1
- Gates' paper on "Excellence" noted that the DDI henceforth would not feel it necessary to stick to the twice-yearly promotion schedule for promotions up to GS-11. This may become DDS&T policy also. Bi-annual evaluations will still be needed.
- ExCom met last Tuesday on the revised '86 budget and discussed, among other things, INTERNET Option #3. No decision was made. They will meet again next Monday. INTERNET is among a number of items being referred to the DCI. Meanwhile, Hineman has told D/FBIS to plan on Option #3.
- The '85 Agency Program is now in conference at Congress. Personnel cuts are expected. The Agency is expected to get 65-75 percent of what it has requested.
- [ ] the DDS&T's personnel consultant, is working on a revised DDS&T staffing configuration. 25X1
- \$500 Awards for special achievements will require two forms and a certificate signed by the DCI.
- D/FBIS will be looking at space at [ ] not with a view to taking any there but just to see what it's like for any further discussions of space. 25X1
